60/215 EAST JUNCTION PROJECT COMPLETE!

Riverside/Moreno Valley-The California Department of Transportation (Caltrans) and the Riverside County Transportation Commission (RCTC) are happy to announce the completion of the new \$38.5 million interchange at SR-60/I-215. The project added carpool lanes, realigned the exit ramp at northbound I-215 and Box Springs Road/Fair Isle Drive, as well as realigned and widened Box Springs Road to four lanes.

We would like to thank Coffman Specialties, Inc. for their diligence and professionalism throughout the life of the project. We would also like to thank the motorists for their ongoing patience.
